NEUBUS, INC. DETAILED PRICING

SERVICE CATEGORY PRODUCT DESCRIPTION	SUB CATEGORY/ VOLUME BAND	PRODUCT PART NUMBER/ SKU	UNIT OF MEASURE	DIR CUSTOMER PRICE (PER UNIT/EA)
1. MANAGED PRINT SERVICES (MPS)				
NIST-certified, cloud-based, AI-powered scanner w/ 8" touch screen color display Customized to be fully integrated with Neubus' ECM services and Neubus' AI-powered microservices ADF Capacity: 100 pages Recommended Daily Duty Cycle: 10,000 pages 65 PPM/130 IPM (color, letter, 300 DPI, dependent upon CPU speed) Output Resolution: 100-600 DPI Note: Includes ground shipping. This device to be used in conjunction with Neubus ECM services. Includes the setup of neuEagle software. Includes real-time scanning; minimum scanning charge of 750 image scans per device per month. Service fees will apply as applicable from the related pricing schedule(s). Billing is based upon usage -- scans beyond the initial 750 monthly images will be charged according to the Image Capture and Validation service fee (SERVICE/PART NUMBER #ER-ICV-0001).	Non-MFP (AV-6000)	MX-CBS-AV6K	Monthly	\$30.26
2. DOCUMENT IMAGING SERVICES (DIS)				
Imaging Services/Solution Black and White Image Capture Standard size (up to 8.5"x14") Note: This is a capture fee. Additional labor charges will apply.	Low (200 DPI)	DR-BWS-0001	Per Image	\$0.01135
Imaging Services/Solution Black and White Image Capture Standard size (up to 8.5"x14") Note: This is a capture fee. Additional labor charges will apply.	Medium (300 DPI)	DR-BWS-0002	Per Image	\$0.01154
Imaging Services/Solution Black and White Image Capture Standard size (up to 8.5"x14") Note: This is a capture fee. Additional labor charges will apply.	High (400 DPI)	DR-BWS-0003	Per Image	\$0.02270

Imaging Services/Solution Secure Document Destruction Service/Solutions In addition to secure source document destruction, Neubus also offers Customers several levels of destruction (P3-P7) in accordance with DIN-66399 standards. Note: Customers who do not perform the mandatory cataloging of the source material will also incur standard data entry fees resulting from Neubus performing the cataloging on the Customer's behalf prior to physical storage within Neubus' facility.	Paper Destruction	DR-SDD-0001	Per Pound	\$0.15110

SERVICE CATEGORY PRODUCT DESCRIPTION	SUB CATEGORY/ VOLUME BAND	PRODUCT PART NUMBER/ SKU	UNIT OF MEASURE	DIR CUSTOMER PRICE (PER UNIT/EA)
<p>Imaging Services/Solution Secure Document Destruction Service/Solutions</p> <p>Neubus' secure non-paper (e.g., microfiche, microfilm, VHS) document destruction follows NIST guidelines and DoD sanitization procedures.</p> <p>Note: Customers who do not perform the mandatory cataloging of the source material will also incur standard data entry fees resulting from Neubus performing the cataloging on the Customer's behalf prior to physical storage within Neubus' facility.</p>	Non-Paper (Film) Destruction	DR-SDD-0002	Per Pound	\$0.98503
<p>Imaging Services/Solution Secure Document Destruction Service/Solutions</p> <p>Neubus' secure non-paper (e.g., hard drive, flash drive) document destruction follows NIST guidelines and DoD sanitization procedures.</p> <p>Note: Customers who do not perform the mandatory cataloging of the source material will also incur standard data entry fees resulting from Neubus performing the cataloging on the Customer's behalf prior to physical storage within Neubus' facility.</p>	Non-Paper (Hard Drive/Flash Drive) Destruction	DR-SDD-0003	Per Device	\$10.08
<p>Imaging Services/Solution Output File Formatting</p> <p>Neubus will provide one of the following Output File Formatting: PDF; single page TIFFs with standard compression; or JPEG.</p> <p>Note: If the Customer requires other/multiple Output File formats, Technical Support charges may apply (SERVICE/PART NUMBER #SR-LAB-0003).</p> <p>If the Customer requires an Output File Format different from the formats specified above and those formats require Neubus to purchase software/hardware to facilitate the conversion, Neubus will pass those costs on to the Customer along with a 5% Neubus administrative fee. The specific charges will be described in the SOW prior to inception of services.</p>	Image Output in Non-Proprietary File Formats	DR-OFF-0001	Per Image	\$0.00020

SERVICE CATEGORY PRODUCT DESCRIPTION	SUB CATEGORY/ VOLUME BAND	PRODUCT PART NUMBER/ SKU	UNIT OF MEASURE	DIR CUSTOMER PRICE (PER UNIT/EA)
Imaging Services/Solution Output File Formatting Neubus will provide indexes and audit trails in following non-proprietary file formats: CSV, ASCII, or delimited. Note: If the Customer requires an Output File Format different from the formats specified above the specific charges will be described in the SOW prior to inception of services.	Indexes, Audit Trails, etc. (Non-Proprietary File Formats)	DR-OFF-0002	Per GB	\$1.51
Imaging Services/Solution Location of Scanning Note: There is no charge if Customer is utilizing Neubus' DIS services.	Performed at Contractor's Facility, by Contractor's Staff	DR-LOS-0001	Per Image	\$0.00020
Imaging Services/Solution Location of Scanning Note: This is a service fee in addition to the capture fee for scanning onsite (Customer site). Additional labor charges will apply.	Performed at Customer Facility by Contractor's Staff	DR-LOS-0002	Per Image	\$0.03325
Imaging Services/Solution Extended Storage of Source Documents For 30 business days prior to project start and/or 30 business days after a project has completed, there will be no source material storage fees to the Customer. Fees apply per calendar day for storage beyond these timeframes. Note: All Customer source material must be cataloged prior to physical storage within Neubus' facility. Customers who do not perform the mandatory cataloging of the source material will also incur standard data entry fees resulting from Neubus performing the cataloging on the Customer's behalf.	Storage and Security Levels as per Customer SOW	DR-EWS-0001	Per Day/ Per Box	\$3.08
Imaging Services/Solution Extended Storage of Source Documents For 30 business days prior to project start and/or 30 business days after a project has completed, there will be no source material storage fees to the Customer. Fees apply per calendar day for storage beyond these timeframes. Note: All Customer source material must be cataloged prior to physical storage within Neubus' facility. Customers who do not perform the mandatory cataloging of the source material will also incur standard data entry fees resulting from Neubus performing the cataloging on the Customer's behalf.	Electronic Media Storage Monthly Fees	DR-EWS-0002	Per Day/ Per Box	\$3.08
